PRESS RELEASE

INTRODUCTION

Gautam Buddha University was established under the Uttar Pradesh Gautam Buddha University Act, 2002 (U.P. Act No. (9) of 2002), and came into existence in the year 2008. The University is recognized by UGC under 12(B) of UGC Act, 1956. The campus is modeled as a fully residential educational campus in line with the best institutions of higher learning across the globe.

In order to promote value-based education, research and training, the University has established eight schools of studies which are: School of Management, School of ICT, School of Biotechnology, School of Engineering, School of Vocational Studies & Applied sciences, School of Humanities & Social Sciences, School of Buddhist Studies & Civilization and School of Law, Justice & Governance. The Schools offer a wide range of choice of subjects for Undergraduate, Postgraduate and Doctoral programmes. Beside excellence in teaching, research activities are one of the main strength of the GBU. The faculty members of the University are engaged in various government funded research projects sponsored by ICSSR, ICPR, DBT, DST, SERB, CSIR, ICMR, ICAR and others. The University aspires to conduct R&D in diverse areas aiming to cover the full spectrum, from fundamental and theoretical studies, through research of relevance to business and industry with practice-based studies in Biotechnology, Buddhism, Applied Sciences, Social Sciences, Engineering, Management, Law & Governance and allied areas. Our focus in promoting interdisciplinary research is to bring together experts from a variety of disciplines to identify challenges and deliver practical solutions.
